Now...with Polysar... you too can have a magic carpet!

You can make another wonderful dream come true with a new kind of rubber under-cushion. Now all your carpets, new and old, can feel amazingly rich and deeply-piled—a magic change made possible by Polysar.

This neveral kind funder-cushion is made of Polisari \$5.0, blown into sponge tubber with millions of tiny air cells, and moulded into a deep pattern that gives you even greater resilience. With such spring-like support your carpets feel hastniously soft and deep—last years longer, too. Mondeler rubber under-exchtion emphasizes once again the vestatifity of Polyan. Because Polyar is a chemical rubber, formulated to each specific need, namidactures are able to turn out many new products and improve old mass. Such mes products and improve of the window scaling—such improved ones so tires, window scaling—such improved ones so tires, buttery plows, concept helest and flour tiling are com incing proof. . . there's hem a resolution in whote.
